<p>CFT7 continues to be committed to and build capacity in the Treaty 7 catchment area, building on the resource group, utilizing the Economic Development Officers knowledge of the communities. There is so much dedication to the entrepreneur therefore, engagement has been successful. At the National Aboriginal Financial Officers Association conference held in February, CFT7 and the resource group were showcased as a best practice for the network that has been created and rather than just having quarterly meetings, we continue to have Mixers and partner with other groups to have mixers, showcasing entrepreneur's talents and wares.</p>
